| Authority Pursuant to Section 214 of the |) | |
| Communications Act of 1934, as Amended |) | |

**REQUEST TO RENEW OR EXTEND
SPECIAL TEMPORARY AUTHORITY**

Unity Telecom, LLC (“Unity”)¹ and Amvensys Capital Group, LLC, f/k/a Amvensys Telecom Holdings, LLC (“Amvensys,” with Unity, the “Applicants”), by their attorneys, hereby request that the Commission renew or extend the special temporary authority (the “STA”) that was granted on April 9, 2012 pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. §214 (the “Act”) in the proceeding captioned above. This STA, which expires on June 8, 2012, permits continued operations by Unity under the control of Amvensys. In the alternative, the Applicants request that the Commission proceed to grant the Applicants’ pending application for permanent authority to transfer control of Unity to Amvensys (“Application”). The Application was placed on public notice on February 9, 2012 in WC Docket No. 12-32, DA 12-175, and is now ripe for grant. Because the Applicants have already closed on the sale of Unity, the

¹ dPi Teleconnect, LLC changed its name to Unity Telecom, LLC on May 18, 2012.

Applicants respectfully request that this STA Request or the Application be granted on or before June 8, 2012.

Grant of this STA Request will serve the public interest, as it will allow Unity to continue providing uninterrupted telecommunications services to its customers. The Applicants note that the sale of Unity to Amvensys was transparent to the customers of Unity at closing. In particular, the transaction did not affect the rates, terms and conditions under which the then-current customers of Unity received service immediately following closing, nor did the transaction result in any discontinuance of service. Also, Unity has continued to operate pursuant to its existing domestic Section 214 authorization and applicable state authorizations. Furthermore, the sale of Unity to Amvensys has served the public interest. The financial, technical, and managerial resources that Amvensys has brought to Unity has enhanced the ability of Unity to compete in the telecommunications marketplace.

The Applicants acknowledge that grant of this STA Request will not prejudice any action the Commission may take on the Application and that, once granted, the STA may be revoked on the Commission's own notice, without hearing. The Applicants

further acknowledge that grant of an STA and the Application will not preclude enforcement action.

Respectfully submitted,

AMVENSYS CAPITAL GROUP, LLC

UNITY TELECOM, LLC
